

QUICK FACTS

What is Stud-A-Thon?

The Stud-A-Thon fundraising campaign is where sponsors from the community come together to help fund the build of a Habitat home by sponsoring a stud. It takes a tax-deductible donation of \$200 to sponsor a stud. The sponsorship allows sponsors to decorate a stud any way they'd like, with a few restrictions. The decorated stud is then returned and used in the framework of a Habitat home. Sponsors are then invited to a special preview party at a later date to view their stud built into the home and meet the partner homebuyer.

Who is the fundraiser benefiting?

Mike, Edith and their children (pictured above). You can read Mike and Edith's family biography [here](http://www.comalhabitat.org/construction/mikeandedith) (www.comalhabitat.org/construction/mikeandedith).

Who can sponsor a stud?
